

Nr. Crt.	Organismul de standardizare/ Țara	Referința documentului	Titlul în limba engleză
1.	AENOR Spania	PNE 22357	Pyrotechnic objects and pyrotechnical matter
2.	AENOR	PNE 22358	Jointed transport, in separated compartments of detonators and explosives
3.	AENOR	PNE 22555	Light alloys used in classified mines
4.	AENOR	PNE 48193	Pigments - Yellow Iron Oxide
5.	AENOR	PNE 84695	Cosmetic raw materials - Sunscreens - Benzoic acid, 2-[4-(diethylamino)-2-hydroxybenzoyl]-hexylester.
6.	AENOR	PNE 84756	Cosmetic microbiology - Isolation and identification of staphylococcus aureus
7.	AENOR	PNE 135460-3-2	Road traffic signal equipment - Management operating systems - Part 3-2: Traffic engineering - Variation in panel automatic signaling due to variables reflected in road conditions
8.	AENOR	PNE 22356	Pyrotechnic workshop - Quality management systems - Minimum requirements
9.	AENOR	PNE 48311	Varnishes for coating of manufactured metallic products
10.	AENOR	PNE 84754	Cosmetic microbiology - Isolation and identification of Candida albicans
11.	AENOR	PNE 22002	Ropes for mine hoisting - Coating and lubricant components used in the rope manufacturing process and during rope service - Characteristics and tests.
12.	AENOR	PNE 22016	Electromagnetic inspection apparatus for the examination of rope mine hoisting
13.	AENOR	PNE 22532	Electrical apparatus for mines - Gallery luminaries
14.	AENOR	PNE 22730	Machines for underground mines - Test of pneumatic powered roof supports
15.	AENOR	PNE 53496-2	Plastics - Glass reinforced plastic tanks, in the air or in hold, for storing fuel-oil - Part 2: Specifications for horizontal and vertical tanks
16.	AENOR	PNE 84696	Cosmetic raw materials - Sunscreens - P-25 PABA
17.	AENOR	PNE 84757	Cosmetic microbiology - Validation of methods in cosmetic microbiology
18.	AENOR	PNE 84758	Cosmetic microbiology - General framework procedure for microbiological examination
19.	AENOR	PNE 135287	Road signalisation equipment - Horizontal signalisation - Glass beads. Granulometry and percentage of defective glass beads
20.	AENOR	PNE 53496-1	Plastics - Glass reinforced plastic tanks, in the air or in hold, for storing fuel-oil - Part 1: General characteristics
21.	AENOR	PNE 22003	Locked and semilocked guide ropes for mining - Technical characteristics and requirements for delivery and examination
22.	AENOR	PNE 22531	Electrical apparatus for mines - Face luminaries
23.	AENOR	PNE 22910	Hardly flammable fluids intended to be used in hydraulic fluids - Flammability test and flame propagation test
24.	AENOR	PNE 76209:2002 IN/1M	Wind actions in greenhouses for commercial production.
25.	AENOR	PNE 84755	Cosmetic microbiology - Isolation and identification of Escherichia coli.
26.	AENOR	PNE 84759	Cosmetic microbiology - Investigation of microbiological contamination indicators and detection by enrichment
27.	AENOR	PNE 172401	Toy library - General requirements
28.	AENOR	PNE 22547-1	Electrical apparatus for mines - A.C. power systems control insulation apparatus - Part 1: Systems of a nominal voltage up to

			1100 V
29.	AENOR	PNE 84761	Cosmetic microbiology - Sample treatment and dilutions
30.	AENOR	PNE 22013	Inspection procedures for mining steel ropes in service
31.	AENOR	PNE 22359	Transportable vessels for explosive consumption of a capacity up to 5000 kg.
32.	AENOR	PNE 48068	Paints and varnishes - Sag resistance index.
33.	AENOR	PNE 48243	Paints and varnishes - Water dispersion paint, flat, indoors use
34.	AENOR	PNE 84753	Cosmetic microbiology - Isolation and identification of non fermentative microorganisms like pseudomonas aeruginosa and microorganisms related
35.	AENOR	PNE 84760	Cosmetic microbiology - Microbiological environmental control (air and surfaces) in cosmetic industry
36.	AENOR	PNE 135460-1-4	Road traffic signal equipment - Management operating systems - Part 1-4: Remote stations, service control - Slip road and exit control service - Programme management service.
37.	AFNOR Franța	PR NF E26-011	Welded short-link calibrated or non-calibrated loading chains
38.	AFNOR	PR NF S97-555	Health informatics
39.	AFNOR	PR NF E63-517	Material of moulding and extrusion - Metal mould components - Location pins
40.	AFNOR	PR NF E63-125	Press tools - Ball guides - Accessories
41.	AFNOR	PR NF X60-012	Maintenance - Vocabulary of components of items and their supply
42.	AFNOR	PR NF E26-012	Welded long-link calibrated or non-calibrated loading chains
43.	AFNOR	PR NF X50-011	Service contract for domestic boilers with vaporizing oil burners - Presentation of contractual documents
44.	AFNOR	PR NF E63-124	Press tools - Ball guides - Ball cage
45.	AFNOR	PR NF P99-321-2	Road meteorology - Gathering of meteorological and road data - Part 2 : test methods
46.	AFNOR	PR NF X30-506	Packaging for medicinal care waste - Specifications and tests
47.	AFNOR	PR XP A05-674	Cathodic protection of ship's external hulls
48.	AFNOR	PR NF X50-010	Service contract for gas-fired domestic boilers - Presentation of contractual documents
49.	AFNOR	PR NF E85-014	Element of industrial plants
50.	AFNOR	PR NF E85-015	Element of industrial plants
51.	AFNOR	PR NF X35-103	Ergonomics - Ergonomical principales applicable to the lighting of workplaces for visual comfort
52.	AFNOR	PR NF S31-114	Acoustics - Measurement of noise in the environment before and after wind installation
53.	AFNOR	PR NF E63-120	Press tools - Ball guides - Ball guide mounting
54.	AFNOR	PR NF E63-504	Material of moulding and extrusion - Metal mould components - Straight guide pillars with cylindrical head
55.	AFNOR	PR NF E85-013	Element of industrial plants
56.	AFNOR	PR XP X35-109	Ergonomics - Acceptable limits of manual load carrying for one person
57.	AFNOR	PR NF E63-508	Material of moulding and extrusion - Metal mould components - Headed guides bushes
58.	AFNOR	PR NF E63-506	Material of moulding and extrusion - Metal mould components - Guiding pillars with shoulder and cylindrical head
59.	AFNOR	PR NF E85-016	Element of industrial plants - Fixed ladders
60.	ASRO România	SR 13508:2006	Guidelines for the implementation of a quality system within a health establishment
61.	CNI	65/0825/06	Petroleum products - Qualitative method of water presence

	Republica Cehă		
62.	CNI	65/0824/06	Petroleum products and hydrocarbon solvents - Determination of aniline point
63.	CNI	65/0828/069	Petroleum products - Test method for determination of corrosive action on metals
64.	CNI	65/0823/06	Engine oils - Determination of apparent viscosity at low temperatures using the Cold-Cranking Simulator
65.	CNI	65/0827/06	Petroleum products -Turbine oils - Determination of deemulsification number
66.	CNI	65/0826/06	Mineral oil - Aqueous cutting-fluid corrosion of cast iron (Herbert test)
67.	CNI	65/0829/06	Petroleum products - Method for determination of antiscuffing and antigalling properties of lubricating oils and fluids on a four-ball machine
68.	DIN Germania	00513649	Contract procedures for building works - Part C: General technical specifications for building works; drilling works
69.	DIN	00513665	Contract procedures for building works - Part C: General technical specifications for building works; landscaping works
70.	DIN	00513679	Contract procedures for building works - Part C: General technical specifications for building works (ATV); predraining works
71.	DIN	02219893	Measuring relays and protection equipment - Binary intercommunication between protections via backward channel
72.	DIN	08700392	Compressed air equipment for rail vehicles - Pressure gauges
73.	DIN	12101014	Tool specification sheet - Part 3:
74.	DIN	00513648	Contract procedures for building works - Part C: General technical specifications for building works - Earthworks
75.	DIN	00513666	Contract procedures for building works - Part C: General technical specifications for building works - Concrete works
76.	DIN	00513680	Contract procedures for building works - Part C: General technical specifications for building works; drainage work
77.	DIN	00513691	Contract procedures for building works - Part C: General technical specifications for building works; Glazing works
78.	DIN	11500721	Packaging - Braille on packaging
79.	DIN	00513574	Contract procedures for building works - Part C: General technical specifications for building works; cast stone works
80.	DIN	00513575	Tendering and performance stipulations in contracts for construction works (VOB) - Part C: general technical specifications in contracts for construction work (ATV); installation of roller shutters and similar equipment
81.	DIN	00513577	Contract procedures for building works - Part C: General technical specifications for building works - Insulation works on technical installations
82.	DIN	00513656	Contract procedures for building works - Part C: General technical specifications for building works; Concrete maintenance works
83.	DIN	00513662	Contract procedures for building works - Part C: General technical specifications for building works; Systems for heating and central water heating
84.	DIN	00513669	Contract procedures for building works - Part C: General technical specifications for building works - Sheet metal works
85.	DIN	00513674	Contract procedures for building works - Part C: General technical specifications for building works; automation installations in buildings
86.	DIN	00513678	Contract procedures for building works - Part C: General technical specifications in building works; pile driving
87.	DIN	00513682	Tendering and performance stipulations in contracts for construction works (VOB) - Part C: general technical specifications in contracts

			for construction works (ATV); revetment works
88.	DIN	00513688	Contract procedures for building works - Part C: General technical specifications for building works; steel construction works
89.	DIN	00513690	Contract procedures for building works - Part C: General technical specifications for building works - Metal construction works
90.	DIN	00513692	Contract procedures for building works - Part C: General technical specifications for building works - Wood blocks paving works
91.	DIN	00513694	Contract procedures for building works - Part C: General technical specifications for building works - Conveying installations, lifts, escalators and moving walkways
92.	DIN	02219909	Requirements for persons working for safety in a field of electrical engineering
93.	DIN	06232295	Material testing machines - Safety specifications - Generals
94.	DIN	12101010	Compression, injection moulds and die casting dies - Part 1: Machined undrilled plates
95.	DIN	12101013	Compression-, injection- and die casting moulds - Guide pillars
96.	DIN	00513576	Contract procedure for building works - Part C: General technical specifications for building works; lightning protection systems
97.	DIN	00513652	Contract procedure for building works - Part C: General technical specifications for building works; wall paper hanging
98.	DIN	00513659	Contract procedures for building works - Part C: General technical specifications for building works - Floor screed works
99.	DIN	00513668	Contract procedures for building works - Part C: General technical specifications for building works - Roof covering and roof sealing works
100.	DIN	00513675	Contract procedures for building works - Part C: General technical specifications for building works; Room ventilation systems
101.	DIN	00513683	Contract procedures for building works - Part C: General technical specifications for building works; underground construction work
102.	DIN	00513687	Contract procedures for building works - Part C: General technical specifications for building works; ashlar works
103.	DIN	00513689	Contract procedures for building works - Part C: General technical specifications for building works; Water-proofing works
104.	DIN	00513693	Contract procedures for building works - Part C: General technical specifications for building works - Low-voltage installation and medium-voltage installation with nominal voltages up to including 36 kV
105.	DIN	00100694	Determination of aircraft noise exposure at airports
106.	DIN	00200415	Paints and varnishes - Effect of acidic precipitation on coatings
107.	DIN	00513655	Contract procedures for building works - Part C: General technical specifications for building works - Dry construction works
108.	DIN	00513672	Contract procedures for building works - Part C: General technical specifications for building works - Mounting of window and door fittings
109.	DIN	00513686	Contract procedure for building works - Part C: General technical specifications for building works; Railway track works
110.	DIN	00513695	Gypsum plasterboards; types and requirements
111.	DIN	00513697	Steel stacks
112.	DIN	04200436	Terms and symbols in the field of wood; species of wood
113.	DIN	12101016	Palm grips
114.	DIN	12101017	Star grips
115.	DIN	00200414	Paints and varnishes - Visual assessment of artificial coating defects
116.	DIN	00513654	Contract procedures for building works - Part C: General technical specifications for building works - Parquet works

117.	DIN	00513673	Contract procedures for building works - Part C: General technical specifications for building works - Flooring works
118.	DIN	00513685	Contract procedures for building works - Part C: General technical specifications for building works - Jet grouting works
119.	DIN	00513698	Steel radio towers and masts
120.	DIN	02701859	Fundamental standards for optics - Determination of focal length
121.	DIN	03100487	Fire-fighting vehicles - Part 11: Group pumping appliance LF 20/16, Group pumping appliance for rescue operations HLF 20/16; Amendment A1
122.	DIN	06700726	Fasteners - Technical delivery conditions - Part 30: Metric thread rolling screws of property class 10.9
123.	DIN	00200413	Paints and varnishes - Evaluation of properties of coating systems caused by application - Part 3: Visual assessment of sagging, pitting, pin holing and opacity depending on the film thickness
124.	DIN	12101012	Compression-, injection- and die-casting moulds - Guide bushes of steel
125.	DIN	00513653	Contract procedures for building works - Part C: General technical specifications for building works - Joinery works
126.	DIN	00513658	Contract procedures for building works - Part C: General technical specifications for building works - Tile laying works
127.	DIN	00513667	Contract procedures for building works - Part C: General technical specifications for building works - Carpentry and timber construction works
128.	DIN	00513670	Contract procedures for building works - Part C: General technical specifications for building works - Thermal insulation composite system
129.	DIN	00513677	Contract procedures for building works - Part C: General technical specifications for building works; sheeting works
130.	DIN	00513681	Construction contract procedures (VOB) - Part C: general technical specifications in construction contracts (ATV); ground treatment by grouting
131.	DIN	00513684	Contract procedures for building works - Part C: General technical specifications for building works; works for diaphragm walls with supporting liquids
132.	DIN	02219908	Low-voltage installations - Requirements for special installations or locations - Part 799: Lighting installations for advertising with a rated output voltage not exceeding 1000 V with luminous-discharge-tubes and/or illuminations by LEDs
133.	DIN	00513573	Contract procedures for building works - Part C: General technical specifications for building works; Sewage channel works
134.	DIN	00513650	Contract procedures for building works - Part C: General technical specifications for building works; well construction works
135.	DIN	00513657	Contract procedures for building works - Part C: General technical specifications for building works - Plaster and stucco works
136.	DIN	00513664	Contract procedures for building works - Part C: General technical specifications for building works; gas, water and sewage plumbing works inside of buildings
137.	DIN	00513671	Contract procedures for building works - Part C: General technical specifications for building works; Asphalt flooring works
138.	DIN	00513676	Contract procedures for building works - Part C: General technical specifications for building works - General rules for all kinds of building works
139.	DIN	06232341	Testing of lubricants; test for fuel diluent in used automotive engine oils; gas chromatography method
140.	DIN	12101011	Compression-, injection- and die-casting moulds - Centering sleeves

141.	DIN	DIN VDE 0833-1/A1*VDE 0833-1/A1	Alarm systems for fire, intrusion and hold-up - Part 1: General requirements; Amendment 1
142.	DIN	DIN 51131	Testing of floor coverings - Determination of the anti-slip property - Measurement of sliding friction coefficient
143.	DIN	00513651	Contract procedure for building works - Part C: General technical specifications for building works - Scaffolding works
144.	IBN Belgia	NBN T 42-604	Plastics piping systems - Factory-made connection pieces of unplasticized poly(vinyl chloride) (PVC-U) for connection to non-pressure PVC-U drainage and sewerage pipes - Specifications and methods of test
145.	IBN	NBN T 42-605	Plastics piping systems - Factory-made connection pieces of unplasticized poly(vinyl chloride) (PVC-U) for connection to concrete drainage and sewerage pipes - Specifications and methods of test
146.	IPQ Portugalia	prNP 4445-1:2006	Repair of lightweight vehicles - Service specification - Part 1: Repair Level 1 (Basic)
147.	IPQ	prNP 4445-2:2006	Repair of lightweight vehicles - Service specification - Part 2: Repair Level 2 (High)
148.	IPQ	prNP 4444:2006	Towing of lightweight vehicles - Service specification
149.	LST Lituania	prLST 1299/1K:2006	Special service vehicles - Colouring, distinctive marks, special light and sound signals - Technical requirements
150.	LST	prLST 1437:2006	Bread and bakery products - Acceptance. Preparation of samples, determination of organoleptic characteristics and mass
151.	LVS Letonia	prLVS 00036001	Liquid petroleum products - Determination of 30% fatty acid methyl esters (FAME) content in middle distillates - Infrared spectroscopy method
152.	NEN Olanda	Concept NTA 8022	Reference model for broadband infrastructure development
153.	NEN	NPR 8020-10	Entertainment; Rigging - Design factors for safety for lifting equipment
154.	NEN	Concept NEN 3215:2002/A2	Drainage systems inside buildings; Requirements and determination methods
155.	NEN	Concept NTA 8020-40	Events - Reaction to fire and smoke production of canvas
156.	NEN	Concept NEN 1087	Ventilation in buildings - Determination methods for new estate
157.	NEN	NEN 1059:2003/Ontw. A1	Dutch edition based on NEN-EN 12186 and NEN-EN 12279 - Gas supply systems; Gas pressure regulating stations for transmission and distribution
158.	NEN	Concept NEN 8087	Ventilation in buildings; Determination methods for existing buildings
159.	NEN	Concept NTA 7075	Functional quality-analysis
160.	NEN	Concept NEN 6707:2001/A1	Fixing of roof coverings: Requirements and determination methods
161.	NEN	Concept NTA 8130	Functionality of smart energy meters
162.	NEN	Concept NEN 6094	Fire safety in buildings; Design, installation and maintenance of sprinkler installations
163.	ON Austria	OENORM A1610-3	Requirements for furniture - Part 3: Storage furniture
164.	ON	OENORM A 1680	Wardrobes for non-domestic - Requirements
165.	ON	OENORM B 1210	Lifting barriers for traffic of vehicles

166.	ON	OENORM B 2450 Bbl 6	Test book - Lifts
167.	ON	OENORM B 3102	Testing of aggregates
168.	ON	OENORM B 3131	Aggregates for concrete - Rules for the implementation of ÖNORM EN 12620
169.	ON	OENORM B 4810	Test methods for mechanical and physical properties of aggregates - Frost susceptibility of mixtures for unbound bases for road and airfield construction
170.	ON	ÖNORM D 1000	Transportation services -Requirements for fine arts removals
171.	ON	ÖNORM H 6010-1	Preparation of documents used in building services engineering - Plumbing technology -Part 1:Content of installation documents
172.	ON	ÖNORM S 5230	Radiation protection dosimeters -General rules
173.	ON	ÖNORM V 5101/A1	First aid equipment for multi-track motor vehicles -Requirements ,tests (Amendment)
174.	ON	ONR 116010	Quality management in nursing -Evaluation of the effectiveness of patient care
175.	ON	OENORM B 2459	Plate glass for lift constructions
176.	ON	OENORM B 5017	High performance concrete in water engineering for residential areas and construction purposes - Specification, production, application and proof of conformity
177.	ON	ÖNORM S 1004	Private keeping of rabbits
178.	ON	ÖNORM Z 1020/A1	First aid boxes for working places and for building sites - Requirements, content, testing (Amendment)
179.	ON	OENORM A 2050	Procurement of works, services and supplies - Notices, tenders and award of contract - Procedural standard
180.	ON	OENORM	Statement of operational costs of buildings with rented and condominium apartments
181.	ON	OENORM B 3130	Aggregates for bituminous mixtures and surface dressings for roads, airfields and other trafficked areas - Rules for the implementation of ÖNORM EN 13043
182.	ON	OENORM B 3132	Aggregates for unbound and hydraulically bound materials for use in civil engineering work and road construction - Rules for the implementation of ÖNORM EN 13242
183.	ON	OENORM B 3508	Bitumen and bituminous binders - Requirements for cationic bituminous emulsions - Rules for the implementation of ÖNORM EN 13808
184.	ON	OENORM B 4811	Aggregates for unbound bases for road and airfield construction - Evaluation of frost susceptibility
185.	ON	OENORM B 6550-1	Thermal and/or sound insulating products in building construction - Bound EPS ballastings - Part 1: Requirements for fabric premixed EPS dry plaster
186.	ON	ÖNORM B 6550-2	Thermal and/or sound insulating products in building construction - Bound EPS ballastings -Part 2:Processing of the fabric premixed EPS dry plaster
187.	ON	ÖNORM D 1150	Services of the leisure industry -Requirements for the training of dance teachers and dance masters
188.	ON	ÖNORM H 6041	Verification of air-conditioning systems
189.	ON	ÖNORM V 2105	Technical aids for visually impaired and blind persons -Tactile inscriptions and information systems
190.	ON	ÖNORM V 5124	Cleaning and antifreezing liquids for windscreen and headlamp washer systems of road vehicles
191.	ON	ONR 111107-1	Quality management for supply with medical devices for rehabilitation -Part 1:Supply companies -Specific conditions

192.	ON	ONR 22450-1	Safety of lifts -Part 1:Measures for safety increase of existing lifts with doorless car openings intended primarily for transport of goods
193.	ON	OENORM A 2052	Procurement of works, services and supplies, not being subject to the Federal Act on Procurement - Notices, tenders and award of contract - Procedural standard
194.	ON	OENORM B 3410	Plasterboards for dry construction systems (gypsum plasterboards) - Types and requirements
195.	ON	OENORM A 1605-3	Furniture - Specifications for testing - Part 3: Storage furniture
196.	ON	ONR 22450-2	Safety of lifts -Part 2:Measures for emergency call systems, emergency call transmission and monitoring centers in case of deviation from ÖNORM B 2458
